

### "Watchout Remix"

*[Immortal Technique]*

You know back in the day, some of y'all  
Would shout out Allah's name like he was hostin yo' mixtape  
Then after 9/11 you got scared and shut the fuck up  
Didn't talk about the demonization of a culture, immigrants, nothin  
Now you show up, talk about we takin it too far  
Die slow! MOTHERFUCKER!

Yeah, 100 percent independent, I'm the fuckin boss  
I sold 80,000 off a quotable in The Source  
The hood is not stupid, we know the mathematics  
I made double what I would going gold on Atlantic  
Cause EMI, Sony BMG, Interscope  
would never sign a rapper with the White House in his scope  
They push pop music like a religion  
Anorexic celebrity driven financial fantasy fiction  
Contradiction cause the life we was given resembles life in prison  
Fed time with Manuel Noriega  
The real Noriega, who did America 100 favors  
with Contras, the Shah and the CIA  
Movin Escobar's coke through the M-I-A  
This is +The 3rd World+ speakin, through a dead man walkin  
And everybody talkin 'bout the South takin over  
It's true motherfucker, but it's comin over the border  
Fuck your chain, my people'll kill you for water  
Fuck fans nigga, I got soldier supporters  
that'll cut your throat if you strapped with a tape recorder  
That's right motherfucker, welcome to the New World Order  
Where the truth is always censored by corporate reporters  
The government, runs the drug politics on the corner  
That's why I never stress rappers and their employers  
I put a bag over his fuckin head and torture your lawyer  
Cause it's too simple to shoot ya - I'll taser the roof of  
your mouth and electrocute ya, I'll root you out with the Ruger  
The German Luger, U-boat, and the troops in the scuba  
Nigga you can't overthrow me like the island of Cuba!  
Niggaz'll never find your body, like the bitch in Aruba  
And I maneuver through the state department and their friends  
With secret deals like the Nazis and IBM  
And now you know this ain't a trend or a fashion  
This is my life and my passion, FUCK tryin to cash in nigga!  
I need more than advancements and a rented mansion  
So while you little house niggaz is singin and dancin  
I'll kill you and take your land like an Israeli expansion  
{"Invasion"}
